

# Restoring Ancient Wheat

November 29, 2007

## Israel Genebank

Workshops with:  
A.A. Jaradat, BERC, Jordan Genebank,  
& the Israel Seed Conservancy

Visit:  
[growseed.org/wheat.html](http://growseed.org/wheat.html)  
for information & to register

Landrace wheats nourished ancient civilizations,  
but today are almost extinct.

Join generations of farmers who saved their seed,  
and developed the food-crops we eat today.
